Ashlyn has been a valued member of the Pivot CPAs team since 2018. Following a brief departure to work with one of the Big 4 national accounting firms, she realized her professional aspirations aligned more closely with the more personalized and dynamic environment at Pivot CPAs and returned to the firm.

As an Assurance Manager, Ashlyn specializes in providing employee benefit plan audits, as well as assurance services for clients primarily in the construction, manufacturing, and distribution industries. Her expertise and dedication ensure that clients receive top-notch service and reliable financial insights.

Ashlyn is a proud graduate of the University of North Florida, where she earned both a Bachelor of Business Administration (B.B.A.) in Accounting and a Master of Accountancy (MAcc). She is a founding member of the Beta Alpha Psi Chapter, an international honors accounting society, at the University of North Florida. Her commitment to professional development is evident through her active participation in several professional groups. She actively engages with the Construction Accounting Network (CAN), Associated Builders and Contractors Association (ABC), and the Northeast Florida Builders Association (NEFBA).

Originally from Northeast Florida, Ashlyn lives in Jacksonville with her husband, who serves as a police officer with the Jacksonville Sheriff's Office, and their 2-year-old daughter. Ashlyn enjoys learning and has a diverse set of interests, ranging from dog training—her dog holds several AKC titles—to photography, sewing, and more. She and her family are outdoor enthusiasts, relishing their annual visits to America's National Parks.

Ashlyn's blend of professional expertise, strong commitment to personalized service, and enthusiasm for continual learning make her an integral part of Pivot CPAs. She continues to contribute to the firm's success while making a positive impact on her community.
